A Letter from the Chair of Governors

April 2013

Dear Applicant,

Thank you very much for your interest in the position of headteacher at Wenlock Church of England Junior School. This opportunity has arisen because of the pending retirement of our current headteacher, Mrs Barbara Campbell at the end of the summer term 2013.

This is an exciting opportunity to give leadership to a strong and stable Church School where Christian values are paramount to staff, pupils, parents and governors. The Governing Body are looking for that special person to continue the progress of the school from good with outstanding features (OFSTED 2011) to outstanding.

Wenlock Junior is the only Church of England school in our very diverse town. We seek a head teacher who with full support of the governing body will actively explore and develop the role of a school rooted in a Christian identity and ethos in positively serving the multicultural and multi-faith community in Luton. We are passionate about our town, and the place the school and the children who pass through it have in its future.

We are also passionately committed to the children who come to us, and we seek a headteacher who will share that commitment. You will have the opportunity to lead a team who will demonstrate the value each child has as an individual and be prepared to act as their advocate.

Accompanying this letter are a range of supporting documents that will tell you more about us and the school, and the post of headteacher. Do please contact me on the email address below if you have further questions. If you would like to visit the school please call the school office (once term has started again on 16th April.)

We hope you are inspired and will consider joining us at Wenlock in “learning and growing together within the love of God.”

Yours Sincerely

Peter Adams
Chair of Governors
