Shaping the world

We prepare
each student to
become a global
citizen who can
shape the world

We prepare each student to become a global citizen who can shape the world.

A Global Family of Schools

MUN

- Model United Nations event with each student representing a different country
- Students aged 15 to 17

Academic Olympics

- Problem-solving team events in a range of subject areas (maths, sciences and coding)
- Students aged 13 to 14

International Music Festival

- Music event that includes recitals, auditions and a final concert on the last day, in which all schools participate
- All ages welcome

Sports Olympics

- Multiple sports competitions:
 - Football
 - Basketball
 - Running
 - Tennis
- Students aged 9 to 15

Arts Competition

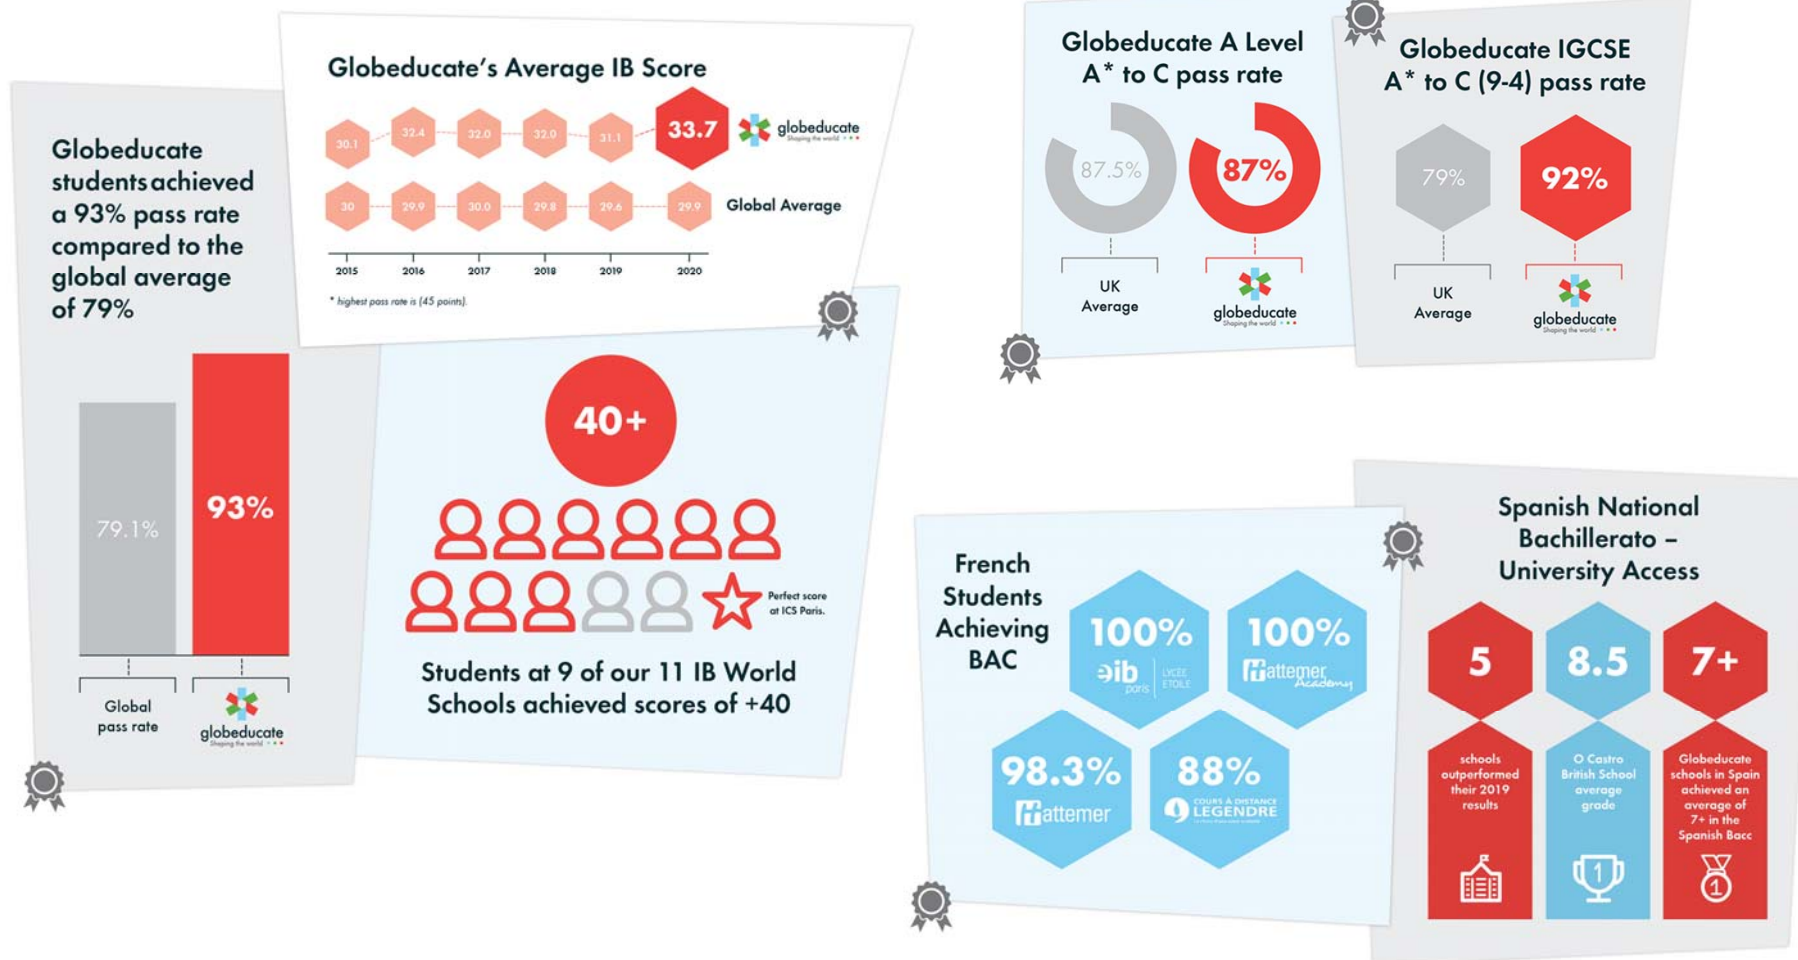

- Multiple art initiatives (poetry, painting, sculpting, photography and video)
- Several categories by age

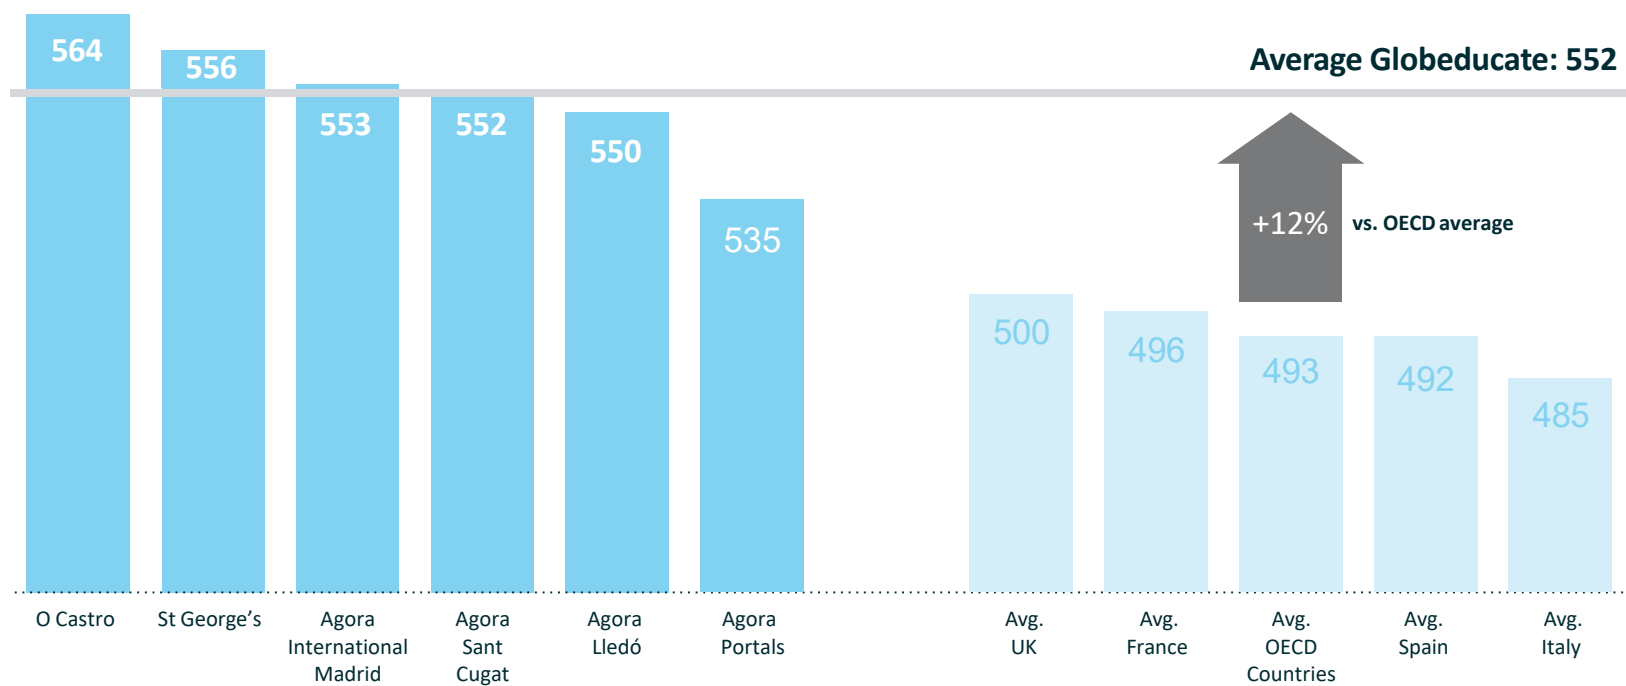

Head Pupil Event

- Promote international collaboration and teambuilding as well as enable pupils to develop their leadership skills
- Students aged 17 to 18

Partnerships and Collaborations

We prepare each student to become a global citizen who can shape the world.

Shaping the World

Through carefully chosen partnerships and collaborations, we create opportunities for our students and teachers to address the United Nations Sustainable Development Goals for 2030.

STEAM curriculum

Working with LEGO Education on a pilot project in five of our schools, our students explore coding, programming, problem-solving and building confidence in STEAM.

Our Senior Leadership Team
